AHPI CON 2024

Tamil Nadu Chapter

Theme: **Sustainability and Growth in Healthcare**

The Indian Healthcare industry is evolving at a rapid pace due to factors including, but not limited to, digital health technology, government initiatives, technological advancements, and insurance. In this progressive landscape, the state of Tamil Nadu leads the healthcare domain for reasons such as, quality healthcare services, remarkable government reforms, and some of the best healthcare infrastructure which, every year attracts a significant number of health tourists from both the domestic and international regions.

However, with an ever-changing environment comes a gamut of challenges erupting from internal and external factors. These challenges pose an obstacle in the path to improvement and herein lies the purpose of the AHPI CON 2024. It is a one-day state level conference organised by the Association of Healthcare Providers (India) (AHPI) - Tamil Nadu Chapter, to help hospitals combat the difficulties with efficient solutions. For this reason, we are roping in national level speakers to impart their valuable insights on the causes of these challenges and the effective strategies that can be implemented to tackle them.

Focus Areas

The conference will focus on the following categories:

1. Finance and Insurance
2. HR and Upskilling
3. Disruptive Technologies for the future of healthcare
4. Regulatory and Statutory Compliance
5. Importance of Quality in Achieving Sustainability and Growth
6. Sustainability and Scalability in Tier II and Tier III towns

The event will also recognise the best hospitals and medical colleges across Tamil Nadu by honouring their services with awards.

With this conference, we hope to make a significant difference in the healthcare industry by providing a platform to discuss innovative solutions, and develop important connections.

We take this opportunity to cordially invite the healthcare fraternity to take part in the conference and make it a grand success.

Regards,

Mr. Adel. J - FLAB Healthcare.

Nursing Skill Development Program

On **March 16th, 2024**, the "**Nursing Skill Development Program**" (ANEI/AHPI/NSDP-04) was conducted at Srikamatchi Medical Centre in Thanjavur, organized by the Tamil Nadu Chapter of the Association of Nurse Executive (India)- ANEI and the Association of Healthcare Providers (India) AHPI. This program aimed to enhance nursing proficiency through comprehensive workshops and discussions on crucial topics such as Injection techniques, IV cannulation, NG tube insertion, Urinary catheterization, ECG, and Wound care management. It served as a platform for nurses to acquire essential skills for providing optimal patient care and safety.

Dr. Sathish Devadoss, President of AHPI TN, attended the AHPI conclave in Ahmedabad.

AHPI TN Conclave Discussion:

The AHPI TN State Chapter Conclave discussion took place on February 28th, 2024, at 7:00 PM at Ramada Plaza by Wyndham, Chennai, with the esteemed presence of all AHPI TN members.
