HAPPY
DOCTOR'S DAY

PRESIDENT'S DESK

Honouring the Hands That Heal – Doctors' Day 2026

As we celebrate National Doctors' Day, I extend my heartfelt greetings and deepest appreciation to every doctor across Tamil Nadu. This day is not merely a celebration of a profession; it is a tribute to a lifelong commitment to humanity.

Behind every successful treatment lies years of learning, countless hours of hard work, and an unwavering dedication to the welfare of patients. Every day, doctors make difficult decisions, shoulder immense responsibilities, and often place the needs of their patients ahead of their own. They work through long hours, emergencies, personal sacrifices, and emotional challenges with remarkable resilience and compassion.

The medical profession is founded on a timeless promise—the Hippocratic Oath. Though the practice of medicine has evolved with advances in science and technology, the principles of this oath remain as relevant today as they were centuries ago. It reminds us to practice medicine with integrity, compassion, humility, confidentiality, and above all, to place the patient's welfare at the centre of every decision. It calls upon every physician to "first, do no harm" and to uphold the highest ethical standards throughout their professional life.

As President of AHPI Tamil Nadu, I take immense pride in the extraordinary contribution of our doctors, who serve not only in large tertiary hospitals but also in district hospitals, small nursing homes, rural clinics, government institutions, and charitable healthcare centres. Together, they form the backbone of Tamil Nadu's healthcare system, making our state one of the country's leaders in health outcomes and medical excellence.

In an era where healthcare is becoming increasingly complex, with rapid technological advances, rising patient expectations, regulatory changes, and financial pressures, these ethical foundations are more important than ever. Society places enormous trust in doctors, and it is this trust that remains our greatest responsibility.

On this Doctors' Day, let us reaffirm our commitment to compassionate, ethical, patient-centred care. Let us continue to embrace lifelong learning, innovation, teamwork, and quality improvement while preserving the values that define our noble profession.

To every doctor who has comforted a family, saved a life, eased suffering, or simply offered hope when it was needed most—thank you. Your dedication inspires confidence, your service strengthens our healthcare system, and your compassion enriches our society.

On behalf of the Association of Healthcare Providers (India) – Tamil Nadu Chapter, I salute every doctor for their invaluable service and wish you and your families good health, happiness, and continued success.

With warmth and respect,

Dr. Sathish Devadoss

President, AHPI Tamil Nadu Chapter

AHPI-TN Meeting with the Hon'ble Minister for Health & Family Welfare

On behalf of AHPI Tamil Nadu, our Executive Committee had the privilege of meeting Hon'ble Minister for Health & Family Welfare, Govt of Tamil Nadu, Dr. K.G. Arunraj and presenting a set of recommendations aimed at strengthening healthcare delivery across our state. We also submitted a strategic roadmap for Tamil Nadu Healthcare Vision 2031, focusing on accessible, affordable, high-quality, and technology-enabled healthcare for all.

The discussion covered key areas including public-private partnership, healthcare infrastructure, workforce development, digital health, preventive care, medical education, and strengthening Tamil Nadu's position as a leader in healthcare excellence.

We appreciate the Hon'ble Minister's openness to constructive dialogue and his commitment to advancing healthcare outcomes for the people of Tamil Nadu. We look forward to working closely with the Government to help shape a healthier and stronger Tamil Nadu.

AHPI – TN Insurance Meet – Madurai Cluster

The AHPI-TN Insurance Meet for the Madurai Cluster was successfully conducted on 20 June 2026 at the Courtyard by Marriott, Madurai. Senior representatives from leading hospitals across the cluster convened to address pressing insurance challenges – including short payments, disempanelments, and their broader impact on private healthcare providers.

The discussion was led by Dr. Praveen Raj, Coordinator, AHPI-TN Insurance Task Force, alongside Dr. Sathish Devadoss, President, and Mr. Adel J, Secretary, AHPI-TN. Participating hospitals expressed strong consensus and a firm commitment to stand united under AHPI-TN's leadership in confronting these issues. We thank all participants for their active engagement and look forward to working together toward meaningful and lasting resolution.
